Professional Security & Facility Management Services

Your Safety. Our Responsibility. Your Facility, Our Care.

About Our Company

Eagle Security Service is a professional security and facility management service provider committed to delivering reliable, disciplined, and customer-focused manpower solutions to businesses, institutions, industries, residential communities, and commercial establishments.

We provide professionally managed Security Services, Housekeeping Services, Facility Management Support, and Specialized Manpower Solutions tailored to meet the specific operational requirements of our clients.

Our approach combines trained manpower, professional supervision, disciplined operations, and responsive service management to help clients maintain a safe, secure, clean, and well-managed environment.

Our Vision

To become a trusted and preferred security and facility management partner by delivering professional manpower solutions with a strong focus on safety, quality, discipline, reliability, and customer satisfaction.

Our Mission

Our mission is to provide dependable and professionally managed manpower services that help organizations protect their people, property, assets, and facilities while maintaining a clean, organized, and productive environment.

We continuously focus on:

- Professional and trained manpower
- Effective supervision and monitoring
- Client-focused service delivery
- Safety and security awareness
- Discipline and operational efficiency
- Quality and hygiene standards
- Timely response and support
- Long-term client relationships

OUR SERVICE SECTORS

We provide manpower and facility management solutions across multiple sectors, including:

- Corporate Offices
- Banks & Financial Institutions
- Industrial Units
- Manufacturing Plants
- Warehouses & Logistics Facilities
- Hospitals & Healthcare Facilities
- Hotels & Resorts
- Shopping Malls
- Educational Institutions
- Residential Societies
- Construction Sites
- Government & Institutional Facilities
- Retail & Commercial Establishments
- Events & Public Gatherings
- ATM & Banking Locations

OUR CORE SERVICES

1. SECURITY SERVICES

We provide comprehensive security manpower solutions for organizations requiring professional protection of their premises, people, assets, and operations.

Our Security Services Include:

Security Officer
Professional security officers to manage security operations, supervise personnel, monitor premises, and maintain effective security protocols.

Ex-Serviceman (Gunman)
Experienced ex-servicemen for organizations requiring disciplined and professionally trained personnel, including armed security where legally permitted and appropriately licensed.

Security Supervisor
Trained supervisors responsible for monitoring guards, managing shifts, maintaining discipline, and ensuring security procedures are followed effectively.

Industrial Security
Comprehensive security solutions for factories, manufacturing units, warehouses, plants, construction sites, and industrial facilities.

Bank Security
Professional security personnel for banks and financial institutions, supporting access control, visitor monitoring, premises protection, and overall security management.

Event Security

Reliable security arrangements for corporate events, exhibitions, weddings, public gatherings, conferences, and special occasions.

ATM Security
Dedicated security personnel to help protect ATM locations, monitor activities, control unauthorized access, and maintain a secure environment
.
Trained Security Guards
Professionally trained guards focused on vigilance, access control, visitor management, patrolling, incident reporting, and property protection.

Armed & Unarmed Security Guards
Flexible security solutions based on operational requirements, subject to applicable laws, licensing, and client requirements.

Female Security Guards
Professional female security personnel for offices, institutions, residential communities, hospitals, events, educational establishments, and locations requiring female security staff.

Cash Van Security
Security personnel for cash and valuables movement, helping businesses and financial organizations strengthen security during transportation operations.

2. HOUSEKEEPING SERVICES

Our housekeeping solutions help organizations maintain clean, hygienic, organized, and professional premises through trained and supervised housekeeping personnel.

Our Housekeeping Services Include:

Office Housekeeping

Professional housekeeping staff for maintaining clean and organized offices, workstations, meeting rooms, reception areas, and common spaces.

Corporate Housekeeping
Reliable housekeeping solutions for corporate offices and business establishments, supporting cleanliness, hygiene, waste management, and workplace upkeep.

Industrial Housekeeping
Housekeeping manpower for factories, manufacturing units, warehouses, plants, and industrial facilities.

Hospital Housekeeping
Trained housekeeping personnel for hospitals, clinics, nursing homes, and healthcare facilities with a focus on hygiene and sanitation.

Hotel Housekeeping
Professional housekeeping staff for hotels, resorts, guest houses, and hospitality establishments.

Residential Housekeeping
Reliable housekeeping services for apartments, residential complexes, housing societies, and private properties.

Educational Institution Housekeeping
Housekeeping staff for schools, colleges, universities, coaching centers, and other educational institutions.

Mall & Commercial Housekeeping
Dedicated housekeeping personnel for malls, retail outlets, showrooms, commercial complexes, and public-facing facilities.

Pantry & Support Staff
Reliable pantry and support personnel for offices, institutions, and commercial establishments.

Deep Cleaning Services
Professional cleaning support for floors, washrooms, glass surfaces, furniture, common areas, and other areas requiring detailed cleaning.

Waste Management & Sanitation
Housekeeping personnel supporting waste collection, segregation, disposal coordination, and sanitation activities.

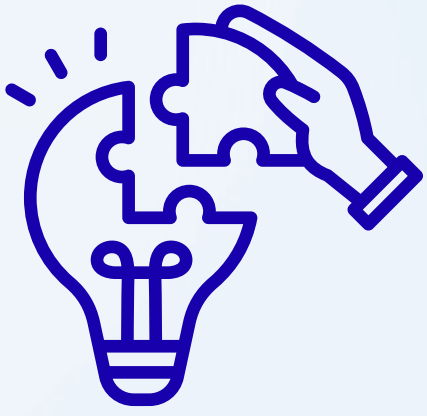

Facility Cleaning & Maintenance Support
Comprehensive housekeeping manpower to support day-to-day cleaning, upkeep, and basic facility maintenance requirements.

OUR MANPOWER APPROACH

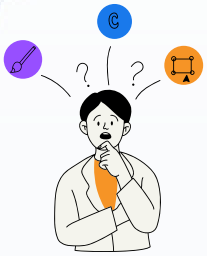

Requirement Assessment → Manpower Selection → Deployment → Supervision → Performance Monitoring → Client Support

We work closely with clients to understand their operational requirements and deploy suitable manpower accordingly.

Our management team monitors service performance and works with clients to address operational requirements and improve service quality.

WHY CHOOSE US?

Trained Manpower

We focus on providing professionally trained and suitable personnel according to the requirements of each assignment.

Professional Supervision

Our supervisory approach helps maintain discipline, attendance, performance, and service quality.

Customized Solutions

Every organization has different requirements. We provide manpower solutions based on the size, location, nature, and operational needs of the client.

Reliable Service

We aim to maintain consistent service delivery and responsive communication with our clients.

Safety & Discipline

Safety, discipline, vigilance, and responsible conduct are central to our service approach.

Client Satisfaction

We believe in building long-term relationships through transparent communication, professional service, and continuous support.

QUALITY & COMPLIANCE

We are committed to conducting our operations in accordance with applicable laws, regulations, contractual requirements, and industry practices.

For assignments requiring specialized, armed, or regulated manpower, deployment is subject to applicable licenses, permissions, legal requirements, and client requirements.

We emphasize:

- Professional conduct
- Employee discipline
- Safety awareness
- Proper documentation
- Attendance monitoring
- Supervisory control
- Client communication
- Applicable statutory compliance

OUR COMMITMENT

At Eagle Security Service, we understand that security and facility management are not simply about providing manpower. They are about creating an environment where people can work safely, businesses can operate confidently, and facilities can remain clean, organized, and professionally managed.

We are committed to being a dependable service partner for our clients by delivering the right people, the right supervision, and the right service approach

OUR VALUES

Integrity

We believe in honest, transparent, and responsible business practices

.

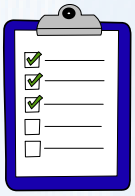

Discipline

Professional discipline is fundamental to effective security and facility management.

Reliability

Our clients depend on us, and we strive to deliver consistent service.

Responsibility

We take responsibility for the quality and professionalism of our services.

Customer Focus

We listen to our clients and develop solutions around their specific requirements.

Professionalism

We maintain professional standards in manpower deployment, supervision, communication, and service delivery.

OUR SERVICE PROMISE

SAFE • SECURE • CLEAN • PROFESSIONAL

We aim to provide a complete manpower solution that combines Security, Safety, Housekeeping, Hygiene, Supervision, and Facility Support under one professional service partner.
